Guidebook (2008 version) and
Harmonization of CFR
w/International Regulations (IMDG
Code)

Training will be conducted by:
Captain Eric Rounds
Senior Surveyor, PHL
National Cargo Bureau, Inc.

The Maritime Exchange sponsors this seminar to assist its membership in complying with this regulation. The seminar provides attendees with training, methodology and hands on experience with the 49 CFR, and the International Maritime Dangerous Goods Code, (IMDG). Attendees will gain the ability to address their own functions and the knowledge of where to find guides for routine tasks.

Each attendee will be supplied with a copy of the latest edition of Title 49, Code of Federal Regulations, Parts 100 – 185, the 2008 U.S. Department of Transportation Emergency Response Guidebook, a HazMat Wall Chart, and other appropriate and miscellaneous handouts.

NOTE: The Exchange requires a minimum of 10 registrants per class. Should the number of registrants fall below 10, the Exchange reserves the right to postpone or cancel the class.

The Maritime Exchange reserves the right to invoice for reservations not canceled.
