## Frequently Asked Questions

- **What is TWIC?**

TWIC is a common identification credential for all personnel requiring unescorted access to secure areas of MTSA-regulated facilities and vessels, and all mariners holding Coast Guard-issued credentials. TSA will issue workers a tamper-resistant "Smart Card" containing the worker's biometric (fingerprint template) to allow for a positive link between the card itself and the individual.

- **Who needs a TWIC?**

Company, vessel, and facility security officers and personnel responsible for security duties are required to obtain a TWIC. Individuals who frequently access secure areas in the course of their employment will also need to obtain a TWIC. These populations include but are not limited to:

- Non-credentialed mariners in vessel crew
- Longshoremen
- Facility employees who work in a secure area
- Drayage truckers
- Truckers bringing/picking up cargo at a facility
- Surveyors
- Agents
- Chandlers
- Port chaplains
- Other maritime professionals

Applicants are encouraged to pre-enroll to save time at the enrollment center. The pre-enrollment process will allow you to submit necessary biographic information before enrolling, select the enrollment center of your choice to complete enrollment, and schedule an appointment at an enrollment center to mitigate long lines.

In accordance with the TWIC Final Rule, USCG will provide at least 90 days notice prior to the compliance date. In no case will the compliance date be later than September 25, 2008.
