

In order to sponsor workers to receive a TWIC, you must first register to become a Sponsor. This process can be completed in five simple steps:

1. Log on to www.TWICProgram.com.
2. On the left side of the screen, click on "Become a Sponsor".
3. Click on the "Continue" button.
4. Fill out the required fields, marked by an asterisk (*) and red font.

NOTE: Under Section 1, "Sponsor Type", only one of the listed document numbers is required for Corporations.

5. Click on the "Submit" button on the bottom of the page.

You will receive notification of approval from the TWIC System within 5-10 business days.
