MARINE SAFETY INFORMATION BULLETIN

[MSIB # 20-10]

September 2, 2010

NOTICE OF HURRICANE READINESS CONDITION 3

The Captain of the Port is notifying mariners that projections indicate the potential for Hurricane **EARL** to pass near (or impact) the New Jersey and Delaware shorelines in the next 48 hours. This Marine Safety Information Bulletin is an update to MSIB #19-10, dated August 31, 2010.

The Captain of the Port Sector Delaware Bay area of responsibility is currently in Seasonal Alert Status without restrictions, however the possibility exists that the Port of Philadelphia and surrounding areas will experience high winds, severe thunderstorms, and increased seas and surf. All members of the port community to include vessel owners and operators, vessel agents, pilots and facility owners and operators are asked to take adequate precautions and to review the Port Hurricane Contingency Plan, to include Section 406, dated *May 19, 2010*. An updated Port Hurricane Contingency Plan can be found on Homeport at: homeport.uscg.mil/DelawareBay. Vessel agents shall ensure their ships are provided a copy of the Port Hurricane Contingency Plan.

The COTP will broadcast notification using VHF-FM radio in the event any limitations or restrictions are imposed in the COTP Sector Delaware Bay area of responsibility. Additionally this notification will be forwarded to the Maritime Exchange and will be available as requested. The U.S. Coast Guard will provide the best possible advance notification before changing port operational status. Please refer to the Homeport website for additional information and checklists.

If there are any questions regarding the contents of this bulletin or expectations of the Captain of the Port, please contact (215) 271-4807.

R. T. GATLIN
Captain, U.S. Coast Guard
Acting Captain of the Port Delaware Bay
