

To All Owners and Agents;

Philadelphia Customs and Border Protection ATU and Vessel Central will be transitioning to a new phone system on September 28<sup>th</sup> at approximately 1700 hours. There will be a total and partial outage over a 4 hour period. If you attempt to call the ATU or VC and your first attempt is unsuccessful, please continue to try to reach these units. The main numbers of 215-717-5950 and 5951 will be the first numbers restored. Officers will be in the office until 2100 hours and will monitor emails and faxes. If you need immediate assistance, please call 1-800-XSECTOR and ask to speak with the Tactical Duty Supervisor. Thank you.
