Delaware River Ports Supply Chain Security & Resilience Workshop

INDEPENDENCE SEAPORT MUSEUM
PHILADELPHIA
24 MAY 2016

In an effort to support resiliency and keep risk management efforts focused on local port activities, the U.S. Department of Homeland Security, in partnership with State, local, and regional stakeholders, is proud to announce the Tri-State Delaware River Ports Supply Chain Security and Resilience Workshop. This daylong event is open to facility and terminal operators; utilities; neighboring ports; OEMs; security professionals from the private and public sectors; owners and operators; and government representatives with supply chain security responsibilities. Workshop sessions will include:

- Local Supply Chain Lessons Learned and Resilience Enhancement Opportunities
- Review of Resilience Enhancement Options and Vulnerabilities
- Counter-Terrorism and Natural Hazards Threat Brief
- Networking Lunch (provided)
- DE River Ports Industry Panel
- Cyber Security Resource and Tools discussion

This event is free to attend and available on a first come, first served basis. Registration is available by clicking the link provided below.
