RIN 0579–AC59

Import/Export User Fees; Correction

AGENCY: Animal and Plant Health Inspection Service, USDA.

ACTION: Final rule; correction.

SUMMARY: We are correcting an error in the rule portion of a final rule that amended the regulations concerning user fees for import- and export-related services that we provide for animals, animal products, birds, germ plasm, organisms, and vectors. The final rule was published in the **Federal Register** on March 30, 2009, and is effective on April 29, 2009.

DATES: *Effective Date:* April 29, 2009.

FOR FURTHER INFORMATION CONTACT: For information concerning program operations, contact Ms. Inez Hockaday, Director, Management Support Staff, VS, APHIS, 4700 River Road Unit 44, Riverdale, MD 20737–1231, (301) 734–7517.

For information concerning user fee rate development, contact Mrs. Kris Caraher, User Fees Section Head, Financial Management Division, MRPBS, APHIS, 4700 River Road Unit 55, Riverdale, MD 20737–1232, (301) 734–0882.

SUPPLEMENTARY INFORMATION: On March 30, 2009, we published in the **Federal Register** (74 FR 13999–14006, Docket No. APHIS–2006–0144) a final rule that amended the regulations at 9 CFR part 130, which list user fees for import- and export-related services provided by the Animal and Plant Health Inspection Service for animals, animal products, birds, germ plasm, organisms, and

vectors. We amended the user fees for these import- and export-related services to reflect the increased cost of providing these services.

In the rule portion of the final rule in § 130.3, paragraph (a)(1), we provided a table setting out user fees for exclusive use of APHIS animal import centers for 5 years. In the table under the heading “Monthly user fee” it reads “Beginning October 1, 2013” instead of “Beginning October 1, 2012”. This document corrects that error.

Correction

In FR Doc. E9–7022, published on March 30, 2009 (74 FR 13999–14006), make the following correction:

§ 130.3 [Corrected]

On page 14002, in § 130.3, paragraph (a)(1), in the table under the heading “Monthly user fee,” correct “Beginning October 1, 2013” to read “Beginning October 1, 2012”.

Done in Washington, DC, this 15th day of April 2009.

Kevin Shea,

Acting Administrator, Animal and Plant Health Inspection Service.

National Poultry Improvement Plan and Auxiliary Provisions; Correcting Amendment

AGENCY: Animal and Plant Health Inspection Service, USDA.

ACTION: Final rule; correcting amendment.

SUMMARY: In a final rule that was published in the **Federal Register** on April 1, 2009 (74 FR 14710–14719, Docket No. APHIS–2007–0042), and effective on May 1, 2009, we amended the National Poultry Improvement Plan (the Plan) and its auxiliary provisions by providing new or modified sampling and testing procedures for Plan participants and participating flocks. In

that final rule, we amended a section in the Plan to include additional tests for avian influenza, but we neglected to amend the heading of that section to indicate that it now contains some tests that are not blood tests. This document corrects that error.

DATES: *Effective Date:* May 1, 2009.

FOR FURTHER INFORMATION CONTACT: Mr. Andrew R. Rhorer, Senior Coordinator, Poultry Improvement Staff, National Poultry Improvement Plan, Veterinary Services, APHIS, USDA, 1498 Klondike Road, Suite 101, Conyers, GA 30094–5104; (770) 922–3496.

SUPPLEMENTARY INFORMATION:

Background

In a final rule that was published in the **Federal Register** on April 1, 2009 (74 FR 14710–14719, Docket No. APHIS–2007–0042), and effective on May 1, 2009, we amended the National Poultry Improvement Plan (the Plan) and its auxiliary provisions by providing new or modified sampling and testing procedures for Plan participants and participating flocks. The regulations in 9 CFR parts 145, 146, and 147 contain the provisions of the Plan.

We added new tests for avian influenza to the regulations in 9 CFR part 145, which contains provisions for Plan participation by breeding flocks. The section that contains these new avian influenza tests and other tests, § 145.14, has been headed “Blood testing.” However, the section now contains some tests that are not blood tests, meaning the section heading is no longer accurate. Therefore, we are amending the section heading to read “Testing.”
