SUBJECT: CBP Pipeline Distribution List

U.S. Customs and Border Protection (CBP), Philadelphia is in the process of updating our e-mail distribution lists, in order to have direct communication with the Trade Community. The updated distribution lists will allow the Area Port of Philadelphia to provide direct notifications of updated policies, guidance, operational changes, meetings, etc...

Effective May 30, 2018, parties interested in being included on the Area Port's distribution can submit an e-mail to PHLPipelines@cbp.dhs.gov. Your e-mail submission must include the individual's first name, last name, company name, title, e-mail address, phone number, which area port(s) you conduct business in (Wilmington, Pittsburgh, Harrisburgh, Atlantic City, etc..) and your role in the Trade Community (carrier, terminal operator, airline, broker, freight forwarder, etc...). A sample spreadsheet is attached for your reference.

CBP looks forward to strengthening relationships with our stakeholders through effective communication.

Thank you,
