See your ad on the Exchange website!

Your full-page, full-color ad will appear on the Maritime Exchange website at no additional charge

The Maritime Exchange will post full-page, full-color ads on the Maritime Exchange website at no additional cost. Guidelines are as follows:

- Ads placed on the Exchange website are the same as those placed in the port directory. However, the ad is sized at 180 pixels x 300 pixels.
- Only full-page, full-color ads are included in this offer. The Exchange will display the ads on the website for one full year, starting on the port directory publication date.
- Ads will be randomly displayed one at a time, and the ad posted will change every 15 seconds. The Exchange will embed a link to the advertiser's website in each ad.
- The Exchange will try to accommodate but cannot guarantee requests to substitute a different ad from that in the port directory. An ad supplied by the advertiser may need a size adjustment to fit the website. A \$150 fee will be charged for this service.
- The rate for the Exchange to create a new ad for an advertiser who wishes to use a different ad than in the directory is \$100 per hour, and an estimate will be provided upon request.
- Those with half- or full-page monochrome ads may add a webpage ad for an additional one-time fee of \$400, subject to the guidelines included herein.

2020 PORT DIRECTORY CONTRACT TERMS AND CONDITIONS

The advertiser will submit the ad contract and artwork by November 27, 2019.

Full payment is due within 30 days of submission of the contract.

The Maritime Exchange shall furnish proofs to the advertiser for approval prior to publication for all previous ads requiring corrections. If the deadline passes with no signed approval of the proof, the Maritime Exchange will use the ad copy as is.

If the deadline for new ad copy passes with no ad submitted, the Maritime Exchange will insert a standard ad.

The Maritime Exchange will assess a charge of \$15.00 for any text and/or art changes received after submission of an ad other than to correct typographical errors on the part of the printer. The Exchange will assess this charge with each resubmission of changes to an ad.

The Maritime Exchange reserves the right to:

- reject any ad submitted;
- terminate this contract and withdraw any ad not paid in full after 30 days of receipt of contract; and
- reject an unsigned or incomplete contract.

No conditions except those written herein are part of this contract.
